Buy a Suit of Serge!

There's More to Recommend a Serge Suit for Summer Wear Than You'd Think.

Not only is it dressy and therefore desirable, but being light in weight and loosely woven it is decidedly comfortable for the warm days of Summer. It is also strong and durable. A man can find few fabrics that combine these necessary qualities as does the Serge. When you first look at one of our Suits and somebody else's side by side, they may seem the same. But look at the cut, look at the way the collar fits, the button-holes, the sewing, the way the lining is put in, and then buy your Serge Suit of a house that always stands back of its promises. Serge Suits at \$7.50, \$10.00, \$12.00 and \$15.00.
